Published: 28 February 2020

From: [Tax Appeals Commission](#)

Section 8 of the [Freedom of Information Act 2014](#) requires FOI bodies to prepare and publish as much information as possible.

The purpose of this process is to provide information about the operations of the Tax Appeals Commission in an open and accessible manner on a routine basis.

It also allows for the publication of information outside of FOI where the provision of information is not prohibited by law.

The Tax Appeals Commission will be proactive and will publish material regularly under this scheme. The TAC is open to suggestions on the types and content of material that could be published regularly under this scheme in addition to the published material already available on the Commission's website.

Suggestions for additional publications can be made to **foi@taxappeals.ie**

The section 8 scheme of the Commission is set out in this document and it follows the format of the model publication scheme as approved by the Minister for Public Expenditure and Reform.

The publication scheme sections below, are links to individual web pages where the relevant material is hosted.
