

## Financial Information

Published: 28 February 2020

From: [Tax Appeals Commission](#)

Under the [Freedom of Information Act 2014](#) , bodies are required to provide certain information in relation to their spending and income.

The following list contains the financial information that applies to the Tax Appeals Commission.

Financial Statements	<a href="#">Annual Reports</a>
Major Plans for Capital Expenditure	Does not apply
Payments or Purchase Orders for goods and services	<a href="#">Goods or Services purchased by the TAC greater than €20,000</a>
Governance Board Member Remuneration	Does not apply
Audit Committee	Does not apply
Funding/Sponsorship on Non-Public Bodies	Does not apply

Plans for future expenditure are set out in the [Revised Estimates for Public Expenditure](#).

An explanation of the system of public financing and how government departments' income and expenditure is accounted for is available on the [government accounting website](#).
